Commissioner for Patents  
P. O. Box 1450  
Arlington, VA 22313-1450

Dear Sir:

The information listed in the accompanying form PTO/SB/08 and provided herewith may be material to examination of this application and is submitted in compliance with the duty of disclosure under 37 C.F.R. § 1.56. The Examiner is requested to make this information of record in the application.

Copies of the non-U.S. patent references are included in this filing.

This Information Disclosure Statement is not to be construed as a representation that a full search for relevant information has been made, that all relevant information has been found, or that the information provided with this Statement is considered to be material to patentability of the claimed invention as defined under 37 C.F.R. § 1.56(b).

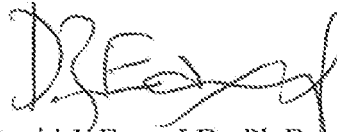

Applicants believe that this Information Disclosure Statement is being filed after the first Office Action on the merits but before a Final Action or a Notice of Allowance. Please charge the fee of \$180 to Deposit Account 07-1139. Should any additional fees be required for
